Why be a Sponsor at UTA 2024 Conference?

UTA is a member ran association that annually host a 2 ½ day conference for its utility and vendor members. Our objective each year is to provide an enjoyable and effective learning experience at an affordable cost. We realize the importance of our vendor members and the sponsorship they provide helps UTA balance the attendee’s experience to the cost of the event. At this conference, you will have the opportunity to meet and network with utility personnel from all over the southeast. You will be able to engage with CTOs, CIOs, decision makers, developers, network specialists, security officers, customer care managers that are all looking to improve their utility technology solutions. It is the perfect place and time to introduce your company, display and demonstrate your products, share your message on services, build your company’s awareness to prospective utility customers.

Sponsorship Categories:

Exhibiting Sponsor:

- UTA will have Vendor Exhibition space available for up to 35 vendors to display and showcase their products and/or services.
- You will receive electronic conference attendee lists with contact information (pre & post conference).
- Your company name and logo will appear in conference materials.
- You will be identified as a Vendor on your name badge.
- The conference agenda allows for two long breaks and a long lunch break totaling over 5 ½ hours of vendor-utility opportunity over the two days. Utility attendees are encouraged to visit Vendor Exhibiting space during these planned breaks. Food and beverages will be strategically located in the Exhibition space.
- Conference registration for your staff enables them to attend all conference sessions and social events ... not just exhibit.
- Fees for Vendor Booths are $500 for each single company exhibition space.
- Fees for Vendor Attendees are $200 for each person attending from your company. There is a two-vendor attendee maximum allowed per vendor Exhibit Space.
- Vendors will be allowed to set up during conference check-in on Monday evening between 4 PM through 7 PM or Tuesday morning at 7:30 AM. Program begins at 8:30 AM.
- Each Exhibition space will include a 6x30 clothed table, 2 chairs, and electricity.
- Please register as soon as possible to reserve your booth space. You will register for both the Vendor Booth and all Vendor Attendees via the website, once registration is open.
- Heidi Slakans, UTA Vice-President, will be the vendor liaison this year. For more details or questions please reach out to Heidi at:
